WORKWEAR TECHNOLOGY GUIDE

Look out for the OX workwear technology icons throughout the workwear brochure. Below is quick start guide to the icons and what they mean.

COMFORT FIT
Designed for the ultimate comfort fit and specifically designed to aid ease of movement.

BREATHABLE
Made from breathable fabric to keep you feeling fresher for longer.

CORDURA® FABRIC
Made from CORDURA® fabric to withstand rips, scuffs and tears increasing garment life and extending durability.

YKK ZIPS
Featuring YKK zips the very best in quality zip technology.

WICKING FABRIC
Made from technical wicking fabric which effectively draws moisture away from the body reducing sweat and eliminating discomfort during hot weather.

BAR TACK STITCHING
Featuring extra strong stitching to increase strength and extend durability.

WATER RESISTANT
Made from materials that resist the penetration of light to moderate water contact.

THERMAL QUALITIES
Made from materials that support the retention of body heat.
